New Club Dogs

We now have 2 new club dogs. They are Brittany Spaniels that we got from a hunt club that had to close down. Prince is a mature male fully broke. Sassy is a younger female who is Green broke. Both dogs respond to a whistle.

If you would like to use one or both, please reserve them with Joel when you book your hunt. Please do not take them out without Joel's knowledge and please do not take them away from the hunt club.
